

# FOR SALE

## £159,950

**15B COVENTRY ROAD  
COLESHILL  
WARWICKSHIRE**

- \* Fully refurbished
- \* High Street Location
- \* 2 bedrooms
- \* 1 reception room
- \* Fitted kitchen/utility
- \* No chain

## **LOCATION**

The property is located on the east side of Coventry Road between Wingfield Road to the south and Maxstoke Lane to the north. It is conveniently located for all local amenities and is situated approximately 5 miles from Birmingham International Station and is approximately 2 miles from junction 4A of the M6 motorway.

## **DESCRIPTION**

The terraced house is of brick and tile construction and dates from the late 1700's / early 1800's. The property has recently undergone a total refurbishment including, rewiring, a new central heating system, retiling of the roof, damp proofing, new kitchen and bathroom.

The property briefly comprises:

**Ground floor:** Reception room, fitted kitchen and utility room.

**First floor:** Two bedrooms and family bathroom.

The property is double glazed and centrally heated throughout.

In more detail:

## **GROUND FLOOR**

## IMPORTANT NOTICE

Barlow Associates for themselves and for the Owners of this property whose Agents they are give notice that:-

- i) The particulars are prepared as a general outline only and are for the guidance and convenience of intended Purchasers.
- ii) All descriptions, dimensions, distances and orientations are approximate and intended only to give a reasonable impression of the property.
- iii) Nothing in these particulars shall be taken as implying that any necessary planning, building regulation or other consents have been obtained.
- iv) Nothing in these particulars shall be deemed to be a statement that the property is in good condition or otherwise nor that any services or facilities are in good working order. Prospective Purchasers should satisfy themselves as to the condition and details generally.
- v) Any photographs show only parts and aspects of the property at the time when the photographs were taken. These may have changed and it should not be assumed that the property remains precisely as displayed. Furthermore, no assumption should be made in respect of parts of the property which are not shown in the photographs.
- vi) Descriptions of a property are inevitably subjective and descriptions contained herein are used in good faith as an opinion and not by way of a statement of fact.
- vii) No person in the employment of Barlow Associates has any authority to make or give any representations or warranty in relation to this property.
- viii) In this instance we have had to rely on information provided on purchase from or through Defence Estates and should be checked by prospective purchasers.

# Energy Performance Certificate

15B Coventry Road  
Coleshill  
BIRMINGHAM  
B46 3BB

Dwelling type:  
Date of assessment:  
Date of certificate:  
Reference number:  
Type of assessment:  
Total floor area:

Enclosed End Terrace house  
11 April 2011  
26 April 2011  
0780-2869-6946-9199-3731  
RdSAP, existing dwelling  
67 m<sup>2</sup>

This home's performance is rated in terms of the energy use per square metre of floor area, energy efficiency based on fuel costs and environmental impact based on carbon dioxide (CO<sub>2</sub>) emissions.

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills are likely to be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO<sub>2</sub>) emissions. The higher the rating the less impact it has on the environment.

## Estimated energy use, carbon dioxide (CO<sub>2</sub>) emissions and fuel costs of this home

	Current	Potential
Energy use	169 kWh/m <sup>2</sup> per year	169 kWh/m <sup>2</sup> per year
Carbon dioxide emissions	2.1 tonnes per year	2.1 tonnes per year
Lighting	£36 per year	£36 per year
Heating	£391 per year	£391 per year
Hot water	£78 per year	£78 per year

The figures in the table above have been provided to enable prospective buyers and tenants to compare the fuel costs and carbon emissions of one home with another. To enable this comparison the figures have been calculated using standardised running conditions (heating periods, room temperatures, etc.) that are the same for all homes, consequently they are unlikely to match an occupier's actual fuel bills and carbon emissions in practice. The figures do not include the impacts of the fuels used for cooking or running appliances, such as TV, fridge etc.; nor do they reflect the costs associated with service, maintenance or safety inspections. Always check the certificate date because fuel prices can change over time and energy saving recommendations will evolve.

Remember to look for the Energy Saving Trust Recommended logo when buying energy-efficient products. It's a quick and easy way to identify the most energy-efficient products on the market.

This EPC and recommendations report may be given to the Energy Saving Trust to provide you with information on improving your dwelling's energy performance.
