FISHING REPORT - WEEK ENDING 21/11/10

Last week 77 rods caught 168 fish for an average of 2.18.

There were a couple of days last week when the fish were moving all over Cocks Close giving a spring like appearance to the lake. The fish were moving to small black Midges and a few fish were being caught to dries such as Hoppers and CDC Emergers. The best tactic has been to fish Lures on intermediate lines with Cats Whisker, white or black Fritz, black Tadpole, Minkies and Dog Nobbles.

The best fish of the week was an 8lb 8oz rainbow caught by John Clarke of Solihull and this was taken on a Booby on a sinking line from a boat on Cocks Close. Derek Brookes of Nuneaton had an 8lb 5oz rainbow from the bank of Cocks Close and this came to a Bloodworm pattern. Ray Inman of Birmingham had a 7lb 8oz rainbow on a Woolly Bugger whilst fishing from a boat on Cocks Close.

On the Great Pool, Andrew Moulder caught four fish including a 6lb rainbow and these all came to a Cats Whisker Lure fished on a floating line. Gary Cooper of Sutton Coldfield had a five fish catch from a boat on Park Meadow and these all fell to black Lures.
